

Emergency Health Policy/COVID Health Policy

Our priority at Tutor Time New City is to ensure the health and safety of the children and staff that come to our center every day. We will not be successful without your help!!

Our new guidelines are based on the Department of Health Guidelines for Child Care Centers with consultation from our Health Care Consultant and Licensing Agency. These practices are subject to change as needed.

We ask that each family acknowledge and agree to the following procedures.

If my child/children or nay person within my household show any of the following symptoms, I agree to keep them home for 72 hours or until the child is fever free without medication.

- Fever over 100.0
- Excessive dry cough
- Shortness of breath
- Lethargic, overly tired, unusually calm or quiet
- Respiratory illness/issues

If my child experiences any of the above symptoms during child care, I understand that either myself or a person I have designate as an emergency pickup will arrive within one hour.

I agree to inform the program if my child, or any family member, tests positive for COVID so that the program can take necessary mandated steps. Your child's identity will remain confidential. Out of respect for the other children, families and staff members, failure to abide by our policies or failure to disclose COVID exposure or positive test of your child or family member result in immediate termination from the program.

I certify and acknowledge that I have read and understand the Health Policy and agree to the terms listed above
